United States Steel (Ret)

Greetings,

We invite you to join us and become a member/partner in our efforts to pay honor and respect to our Nation's Defenders of Freedom. If so, we ask that you print out the return slip below and send to us along with your annual membership of \$25.00. Then, visit back to this website frequently to see how your involvement helps our most worthy cause.

In addition to our annual Blue Star Salute at The American Village, a couple of events we recently took part in are typical of how we seek to "Honor Those Who Serve"... We presented the Avenue of Flags and gave the closing prayer at the memorial service held in Locust Fork for Army PFC Johnathon Millican. He was awarded the Silver Star Medal while losing his life when saving the lives of his comrades. We also recently sent a delegation of our members to Camp Shelby, MS to provide Blue Star Banners to the parents, spouses and loved ones of some 200 members of the Alabama National Guard who were being deployed to Iraq. They all said, with tears in their eyes, that they would display the Blue Star Banner in their front window until "Johnny comes marching home".

We hope that you will join us as we support our brave troops as they go about protecting our country. We promise to watch over and serve their loved ones as they wait for them to come home.

All members, sponsors, and contributors are greatly appreciated.

God Bless You, and welcome aboard!

R. Glenn Nivens, Secretary

Harrison "Hack" Lloyd, Chaplain

"WE HONOR THOSE WHO SERVE"
